(2016)	Canta la Perdiz Reserva, [Tempranillo, Cariñena, Bruñal, Bobal, Albillo] 40 months oak, 14%	£315

TIERRA DE LEON D.O.

Around the province of Leon and province of Valladolid, it's a young D.O. but with history back to the 10th century. With Pietro Picudo, highly aromatic wines with a very persistent palate and Albarin It produces wines with marked citrus and floral aromas, good alcohol content and acidity.

Vitis Velado winery (Ribeira Do Ulla)

(2019)	Galgo Negro, Vitis Velado 100% Pietro Picudo old vines, aged 13 months new oak barrel	£44

TORO (Castilla y León) (TR)

The key to Toro as so often in Spain is the altitude, 600 to 750 m above the sea level gives the growers the chance to fix the color and flavour with cool nights during the torrid, hot, dry summer days with red clays and sandy soils.

Vega Sicilia winary (Venialbo, Zamora)

(2017)	Pintia, [Tinto tora] 12 months oak, 14.5%	£90

BIERZO (Castlla y León) (BZ)

Home of the Mencia grape which came create fresh, fruity, red wines, grown just over the border of Castilla y Leon but in conditions very much like those of Galicia. Mainly slate terraces. The climate site balances between maritime influences of Galicia and dry, hot, continental climate of la Mancha.

Peique winery (Villafranca del Bierzo)

(2020)	Peique Joven, [Mencía] 2 months stainless steal tank, 13%	£33
(2018)	Ramón Valle, [Mencía] 7 months oak, 14.5%	£38
(2017)	Peique Old vines, [Mencía] 12 months oak, 14.5%	£42
(2015)	Peique family selection old vines, [Mencía] 18 months oak, 14.5%	£56
(2014)	Luis Peique Old vines, [Mencía] 16 months oak, 14.5%	£65

(2018)	Cova de la Raposa, single vineyard 80 years old [Mencía] 12 months used french oak, 14%	£65
(2018)	Mata de los Pardos, single vineyard 80 years old [Mencía] 12 months used french oak, 14%	£65

EMPORDA (Cataluña) (EM)

In the north east corner of Spain, in Cataluña the region separated from Roussillon only by the French border, its zone has a long history of wine production, which was nearly extinguished by philloxera in the 1900. Many of the terraces at the foothill of the Pyrenees were never replanted.

Roig Parals winery & Coca i Fito (Emporda)

(2018)	Tocat D'Ala Negre, [Carignan, Grenache, Syrah] 4 months oak, 14%	£39
(2015)	Tocat I Posat, Old Vines [Carignan, Grenache] 13 months oak, 14.5%	£58

MONTSANT(Cataluña)(MT)

Priorat is surrounded by Sierra de Montsant where Montsant DO was created in 2001. It used to be called Subzone Falset within the Tarragona DO however it has more in common with Priorat for its slopes, its temperatures, its altitudes. Red Garnachas, Cariñena and white Garnachas.

Coca i Fito (Montsant)

(2018)	Aloja Negre, [Garnacha, Cariñema, Cabernet Sauvignon, Syrah] 3 months oak, 14%	£38
(2012)	Aloja Mare old vines, [Garnacha, Cariñema, Syrah] 12 months oak, 14%	£44
(2013)	Coca i Fito Negre old vines, single vineyard [Garnacha, Cariñena, Syrah] 14 months oak, 14.5%	£57
(2021)	Coca i Fito Natura, Organic [Garnacha, Cariñena, Syrah] Un oak, 14%	£36
(2021)	Coca i Fito NU organic Old Vines, [Garnacha], Without sulphitos Un oak, 15%	£46
(2015)	Coca i Fito Cariñena old vines, [Cariñema] 12 months oak, 14.5%	£59
(2013)	Coca i Fito Garnacha old vines, [Garnacha] 12 months oak, 14.5%	£59

PRIORAT (Cataluña) (PR)

The vineyards of Priorat, which lie in the hills inland from the coast, have undergone an incredible transformation in the last three decades. The expense of working the steep slopes and the lack of investment meant that until the potential of the region was identified, many vineyards were abandoned and wines were of average quality.

Coca i Fito (Vilella Alta-Gratallop)

(2018) Samsara, [Garnacha, Cariñema, Cabernet Sauvignon, Syrah] 12 months oak, 14.5% £44

Álvaro Palacios winery (Gratallop)

(2017) Dofi, [95%Garnacha, 4%Cariñema, 1% White grapes] 18 months oak, 14.5% £110

RIBEIRA SACRA (Galicia) (RS)

Ribeira Sacra means "sacred riverbanks" and originally referred to the many monasteries and churches that once populated this area. They produce really interesting red wines, mainly with Mencia and other local varieties. Terroir creates great interesting red wines and white Godello.

Tolo Do Xisto (Crazy about the slate) River Sil Subzone (Vilacha de Salvadur)

(2019) Ruxe Ruxe [Mencia] 30/40 years old vines Un oak, 14% £38

(2017) Tolo Do Xisto [Mencia] 40/80 years old vines, 4 months oak, 13.5% £44

(2015) Os Convetos [Mencia] 70/90 years old vines, 12 months oak, 13.5% £60

Fedellos do Couto winery (Valle del Bibei)

(2018) Lomba Dos Ares [Mencia, Mouraton, Garnacha tintorera, Caiño, Bastardo] Vino de España, No oak, 12.5% £47

RIAS BAIXAS (Galicia) (RB)

Rias Baixas first became denomination of origin in the 1980 and it was called Albariño. This green corner of Spain is full of irregular Atlantic inlets called Rias which are perfectly shallow fjords lines with hills.

Castrobrey winery (Ribeira Do Ulla)

(2018)	Distinto Castrobrey, [100% Caiño] Old vines, 6 months oak, 12.5%	£41

VALDEJALÓN IGP (Aragón) (VJ)

It is the place of Garnacha grape but also use Cariñena (Mazuelo) or Macabeos for white wine production. The wines from Aragón reach high alcohol volume however nowadays there are some producers trying to get the best out off the vineyards and the wines are wit in the best Spanish wines.

Frontonio winery (Valdejalón, Zaragoza)

(2015)	Microcósmico village wine, [Garnacha] 10 months in concrete tank, 14%	£38
(2015)	Telescópico Cariñena V2, [Cariñena] 5 months concrete tank, 10 months oak 14%	£45
(2015)	Telescópico Garnacha V2, [Garnacha] 8 months oak 14%	£45
(2016)	Supersonico Garnacha V2, [Garnacha] 12 months oak 14%	£48

ALICANTE (Comunidad Valenciana, Levante) (AL)

This DO in the Levante coast extend from Alicante city down till Yecla (another DO) on the foothill of the spanish central plateau. The climate becomes progressively hotter and the landscape arid away from the coast and yield doesn't go beyond 20hl/ha.

Javier Revert (Valencia)

(2019)	Simeta [Arcos] 8 months amphorae and 2 month glass demi johns	£52

Finca Collado winery (Alto Vinalopo, Salinas)

(2016)	Finca Collado Delit [Monastrell] Very Old vines 12 months oak	£42

JUMILLA (Murcia)(JM)

50 miles inland from the Mediterranean coast it is a high altitude (300 up to 600m above the sea level) arid valley. The valley is really hot during the day around 42 degrees in summer but cool at night again thank to the altitude. Rainfall is very low sometimes even below 300mm a year. The main grape here is monastrell.

Silvano Garcia winery (Jumilla)

(2017)	Silvano Garcia Roble [Monastrell] 4 months oak 14%	£33
(2019)	Silvano Garcia Black Label [Monastrell] 9 months oak 14%	£36

(2021)	La Herrada Single vineyard, Garnacha tintorera (Alicante Bouschet), Chalky soils	£45

SIERRAS DE MALAGA (Ronda-Axarquia)

Its wine industry has a long history dating back to the 600bc when the Greeks created the first vineyards, the Moors continued making wine, calling it xarab al malaqui, Malaga syrup (probably to remove any reference to the alcohol). The key is the altitude. The mountains rise straight up from the beach.

Conrad winery (Ronda)

(2021)	Niño Leon Conrad [Tempranillo, Merlot, Cabernet Sauvignon] 12 months oak 14%	£38
(2019)	Soleon Conrad [Cabernet Franc, Malbec, Petit Verdot] 18 months oak 14.5%	£42
(2022)	Cristina Conrad [Malbec] 11 months oak 14%	£46

LM2. Isidro Milagro winery (Manzanares, La mancha)

(2017)	Cal y Canto Red [Tempranillo, Merlot, Syrah] No oak 14%	£23

VINOS DE MADRID (Comunidad de Madrid)

The Spanish capital Madrid is much less known as the name of a wine denomination. The DO Vinos de Madrid forms a semicircle around the southern suburbs. Out Of the three official recognized sub zones, the most important is around the town of Arganda del Rey, east of Madrid and Gredos with very old garnachas. The history of what we could call the new Madrid wine begins in 1984, with the recognition of the Specific Designation of Wines of Madrid.

Bodegas Sanz winery (Arganda)

(2017)	Sanz La Capital [Tempranillo] No oak 14%	£31
